

HSBC Bank Branches

Istanbul, Ankara and Izmir, Turkey

Client
HSBC

Value
US \$2.4 million

Completion
2000

Assignment
Project Management

Fit-out shell and core works for seven new bank branches in Istanbul, Ankara and Izmir:

Goztepe, Nisantasi, Etiler, Yesilyurt, Nuruosmaniye, Gaziosmanpasa, Alsancak

The branches are all located in the heart of the cities, on prestigious marketing streets, and range from 120 to 200m² in size. The projects consist of all fit-out, electro-mechanical, data, security and signage works.
