

Government Charlotte County Jail Expansion Punta Gorda, FL

Client
Charlotte County

Value
US\$39,000,000

Completion
2009

Assignment
Construction Management

Bovis Lend Lease is managing Phase I, a 28,312 square foot expansion including the work release (13,525 square feet), video visitation (4,889 square feet), training armory (3,750 square feet) and maintenance buildings (4,128 square feet).

The Phase II GMP, encompassing 200,000 square feet, began in September 2007 and includes the addition of 528 beds, expansion of the booking area, new 4,035 square foot chiller building, renovation of the intake/booking area, allowing the expansion of the medical/mental support services area (23,400 square foot), and the replacement of the existing electronic security control system.

Building materials include CMU, precast plank and miscellaneous steel, typical of jail construction.
